How to connect with us at EduTECH 2023

ASI Solutions is thrilled to be a platinum sponsor at EduTECH 2023 - Australia's largest education conference and exhibition!

At EduTECH 2023, there are many ways for you to engage with ASI Solutions and learn how we are providing exceptional value to classrooms, schools and communities Australia wide to elevate the educational experience, through technology!

This guide will share an overview of everything ASI Solutions has to offer at this year's conference, including what's happening on stand, attendee giveaways and prize draws, the many ways to connect with our team of experts, and much more.

VIP DINNER

Thought Leadership Welcome Dinner

Wednesday August 23 | Eureka Restaurant | INVITATION ONLY

ASI SOLUTIONS STAND (1108)

Tech Tools to Elevate Learning!

Solutions Demonstrations + Learning Theatre

There's always a lot going on at our ASI Solutions stand (#1108). Drop by our Learning Theatre for live lessons and demos from our trainers who will share best practices and tips to help you maximise the value of tech in your schools. Connect with our subject matter experts (SMEs) and discuss the many tech tools and services that ASI Solutions can provide to elevate learning, including IT consulting and management, digital skills training, cybersecurity, data and automation, and device procurement and lifecycle management.

PRESENTATION

Effortlessly enhancing learning with interactive technology

Thursday August 24 @ 11:40AM | Ilana Shelton

Join Ilana Shelton, Technology Trainer and ex teacher, for an exciting session on how to effectively use Clevertouch interactive panels, and the wide range of educational apps, to effortlessly enhance learning. She will explore how to create engaging and interactive learning experiences, discuss how to best utilise the technology to differentiate instruction, as well as how to use the technology to promote collaboration and problem-solving among students. Attendees will leave with an understanding of the features and benefits of Clevertouch interactive panels, as well as a clearer vision of how to use the technology (and range of free apps) to enhance learning.

PRESENTATION

Cybersecurity Strategies for Education

Thursday August 24 @ 11:40AM | Zach Amos

Keeping student and teacher devices and data safe is challenging as devices move between classrooms, home, and afterschool activities. This session will provide recommendations for strong cybersecurity strategies for the digital, distributed classroom.

NETWORKING EVENT

BBQ at The Boatbuilders Yard

Thursday August 24 from 4PM | [REGISTER HERE](#) >

Where to find us at EduTECH 2023

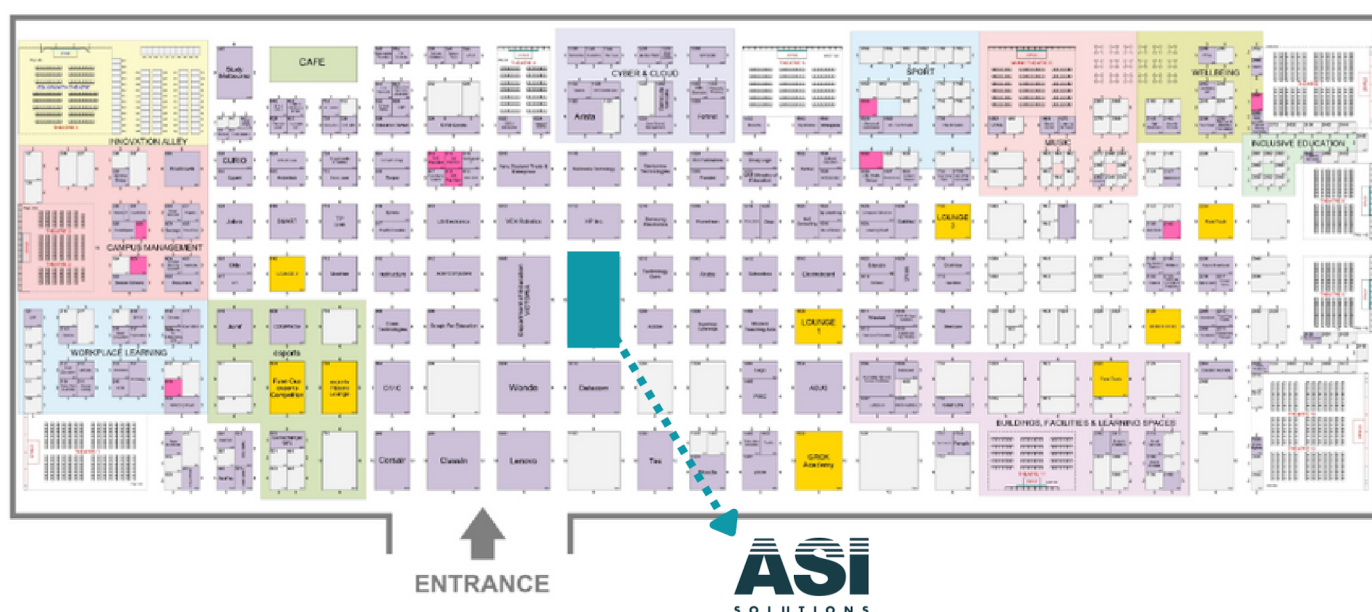

ASI SOLUTIONS STAND (1108) *Tech Tools to Elevate Learning* Solutions Demos and Learning Theatre

There's always a lot going on at our ASI Solutions stand (#1108). Drop by the learning theatre for live lessons and demos from our trainers who will share best practices and tips to help you maximize the value of technology on your campus.

At the booth you can:

- Discover how we are continuing to develop services and solutions, beyond product, that simplifies management, strengthens infrastructure and boosts learning outcomes with valuable insight data.
- Fill in a short questionnaire to help us understand how we might assist you with your technology strategy
- Learn how to supercharge your campus with the many new and exciting features in Microsoft for Education, enhanced on Microsoft Surface devices.
- Hear tips for how to create a safe and secure learning environment, built on a cyber resilient infrastructure and culture.
- Discover how our team of technology trainers are increasing classroom collaboration while boosting productivity and efficiency, and more!
